PRP Learning Guide:
Complete a Quarterly Progress Report

Using the Partner Reporting Portal, the submission of the Quarterly Progress Reports is a simplified and standardized format.

UNICEF requires partners to submit Quarterly Reports every 3 months, as per the terms of the programme. It aims to assess the progress towards planned results, and to identify challenges and the actions taken to overcome them. The indicators, baselines, targets, and means of verification are listed in the Quarterly Progress Reports

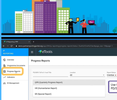
are all pulled from the Results Framework which was jointly developed during the negotiations in the partnership with UNICEF was formalized.

Any substantial changes to the results framework will require partners to work with UNICEF to process an amendment to the Programme Document.

To promote timely reporting, UNICEF will send out a PRP Delivery Alert to you as well as receive e-mail notifications when the report is due,

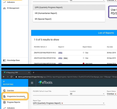
and a weekly reminder e-mail notification for each week the report is overdue.

Additionally, as part of either monitoring and assurance activities, the reporting process will be used by UNICEF staff to assess the progress of programme partnership, and identify and jointly address any programmatic, financial or external challenges that could impact the achievement of the envisioned results.

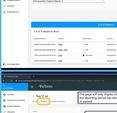


To draft and submit your Quarterly Progress Reports

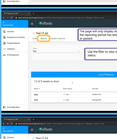
1. Sign in to the Partner Reporting Portal



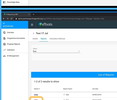
2. You can navigate to the Progress Reports page to view, search and access Reports



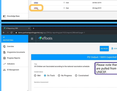
3. Alternatively, in the Programme Document application, you can click on the Reports tab to see the programmes you would like to access.



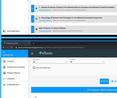
4. Click on the reports tab to view the list of reports and their status.



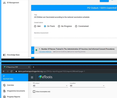
4. Click on the Quarterly Progress Report that is due to open the Reporting page



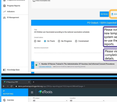
5. On the reporting page you will see the indicators for your programme, including the overall programme progress and their associated indicators.



5. Partners will also be able to download XLS or PDF reports of the report

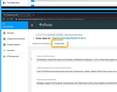


6. When working offline, partners will be able to generate an excel template for the indicators under the template tab, which the system when they have inserted.

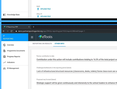


6. Please note that some presentments, such as the addition of new indicators or locations, will require changes to your reports. See Partner Reporting Portal. To do so, please contact the Programme Officer to discuss and the changes will take effect.

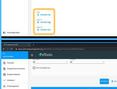
6. In the Other Information tab, partners can enter additional information about the programme progress of the programme during the quarter.



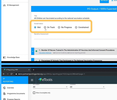
5. Additionally, partners can also attach any additional information to their quarterly reports including the HACT micro-assessment, and any supplementary information they would like to share with UNICEF. To enter both quantitative and qualitative information on the indicators that are listed in the current reporting period, partners should navigate to the reporting tab.



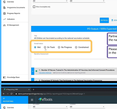
7. For each of the Programme Outputs listed, you will be required to enter the status of the overall progress of the output and associated indicators.



2.Partners should click on Edit to enter a brief narrative assessment of the progress on the Programme Output

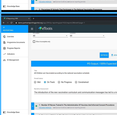


4. Click Save once your narrative information has been entered



3. In the Other Information tab, partners can also upload supporting documents and relevant attachments that reflect the progress of the programme during the quarter.

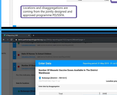
In the Partners Reporting Portal, partners will be able to report on different types of indicators under each of their Programme Outputs. The indicators are jointly developed by the UNICEF and partner focal points during the design of the programme document. Any changes to these indicators will require an amendment to the programme.



To report on a quantity based indicator that measures the programme's progress on specific results

1. Scroll down to view the indicator and click on the drop down icon
2. You will see the different locations where your organization will report progress for this indicator as well as any disaggregations for the indicator

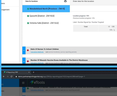
3. To enter data for each of the locations, click on Enter Data
4. Enter your progress according to the disaggregations provided
5. Click Save once completed
6. Continue to each of the locations and enter your data.
7. Once this information is entered, please ensure you enter 'Q'



To report on a percentage based indicator that measures the programme's progress

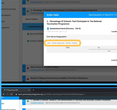
1. Scroll down to view the indicator and click on the drop down icon
2. You will see the different locations where your organization will report progress for this indicator as well as any disaggregations for the indicator

3. To enter data for each of the locations, click on Enter Data
4. You will see the label of the numerator and the label of the denominator, which indicates the information that needs to be entered in each of the relevant fields
5. Once this information is entered, the system will automatically calculate the percentage for the reporting period
6. Click Save once completed
7. Continue to each of the locations and enter your data.
8. Once this information is entered, please ensure you enter 'Q'

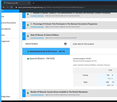


To report on a ratio based indicator that measures the programme's progress on specific results

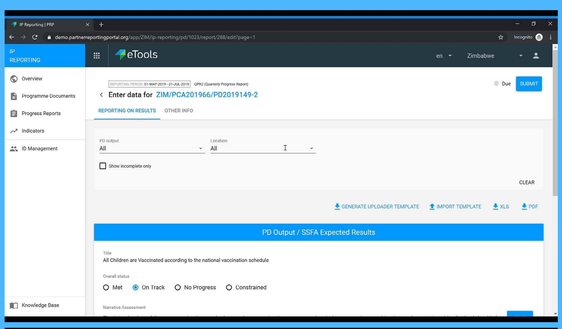
1. Scroll down to view the indicator and click on the drop down icon
2. You will see the different locations where your organization will report progress for this indicator as well as any disaggregations for the indicator



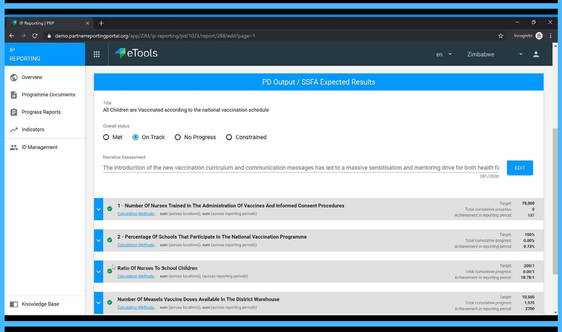
3. To enter data for each of the locations, click on Enter Data
4. You will see the label of the numerator and the label of the denominator, which indicates the information that needs to be entered in each of the relevant fields
5. Once this information is entered, the system will automatically calculate the ratio for the reporting period
6. Click Save once completed
7. Continue to each of the locations and enter your data. If no progress has been made, enter zero.
8. Once this information is entered, please ensure you enter 'Q'



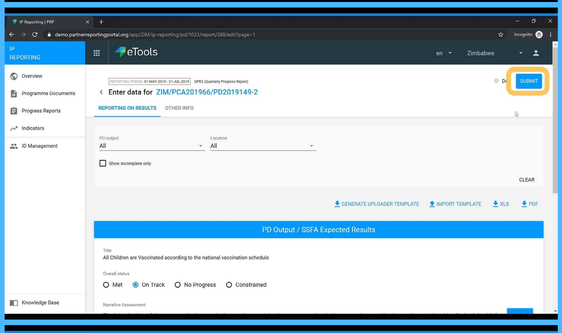
Once you have completed entering data for the indicators across locations, the status of the indicator will show if all the necessary information has been completed.



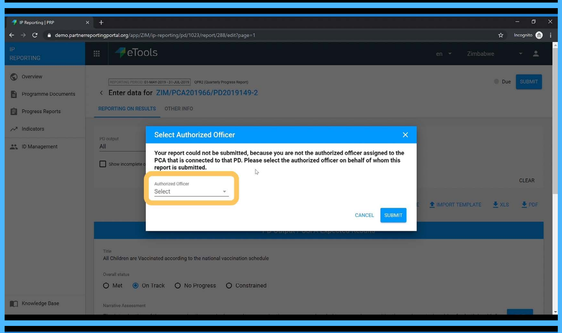
Please ensure you have also entered the necessary information in the overall status and narrative assessment of each programme output.



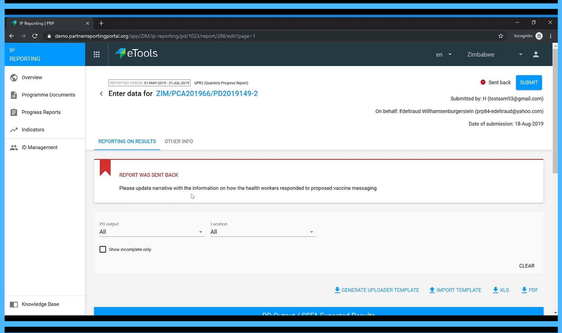
Additionally, partners should also make sure they have completed the necessary information in the “Other Information” section.
Click on the Submit icon to submit the report.
• If you are a registered Authorized Officer for the organization the report will be submitted automatically to UNICEF
• However, if you are not an authorized officer, a dialogue box will open requesting that you select your organization’s authorized officer



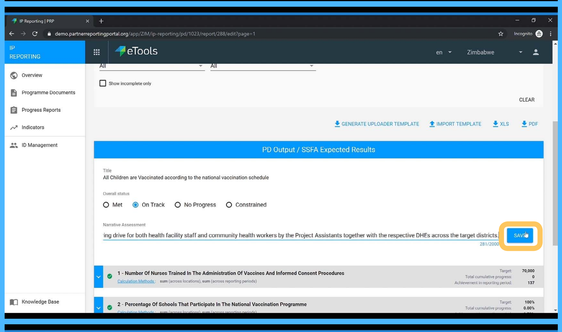
Select an Authorized Officer from the drop down list and click submit. The Authorized Officer will receive an e-mail notification that you have submitted a quarterly report to UNICEF on their behalf. The UNICEF focal point will also receive an e-mail informing them that your organization has submitted their report for review. The report status will change to “Submitted”.



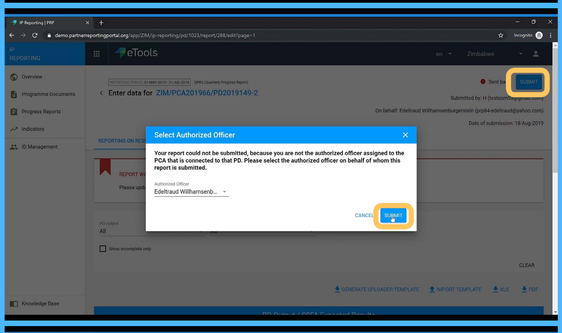
Following UNICEF’s review of the report, the UNICEF programme focal point may request additional information and clarification and send back the report with their feedback. The partner will be notified of the feedback via e-mail and through the system. A “Sent Back” report can be re-opened for editing.



To review and edit a sent back report:
1. Navigate to the sent back report and click on the report to review comments
2. In the top banner of the report, partners will be able to see the comments from the UNICEF focal points



3. Partners should edit the report based on the feedback, and click on the Submit icon to re-submit.



Once the edited report is reviewed and accepted by UNICEF, the status of the report will change to Accepted.
